Dear Board of the BCPWSA:

I am writing this letter to thank you for sponsoring my trip to Camp Wonderland in Missouri, USA.

There were 73 other PW people at the camp when I was there. It was GREAT because it was a lot of fun hanging around other PW kids/adults.

At camp I got to swim in the pool, go to Waterfront, go on the boat, go to a dance party, hang out in the games room, tie dye shirts (like the one I am wearing in the picture), and go to arts and crafts.

The food was great. It made me full. I really liked it a lot. My favorite dinner was a tuna melt.

There was a cat at the camp. Her name was "Tinks".

I made some friends. My best friend's name was Erin.
